

/home/sautax/git/cpputil
/main.cpp

```
graph TD; A["/home/sautax/git/cpputil  
/main.cpp"] --> B[iostream]; A --> C[fstream];
```

The diagram illustrates a file structure. At the top, a gray rectangular box contains the file path `/home/sautax/git/cpputil/main.cpp`. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text `iostream` and the right box contains the text `fstream`.

`iostream`

`fstream`
