

nosFichiers/src/minGL
/tools/tools.h

```
graph TD; A[nosFichiers/src/minGL /tools/tools.h] --> B[algorithm]; A --> C[.. /graph/pos.h];
```

The diagram illustrates a hierarchical structure where a single parent box at the top branches into two child boxes below it. The parent box is shaded gray and contains the text 'nosFichiers/src/minGL /tools/tools.h'. Two blue arrows originate from the bottom edge of this box, pointing downwards and outwards to two separate white boxes. The left box contains the text 'algorithm' and the right box contains the text '.. /graph/pos.h'. All boxes have a thin black border.
